### What is All Together and how do we take part?

An **All Together School** is one that has proven its activity to reduce bullying of all children.

The All Together programme has been developed over the last three years and builds upon the work of the Anti-Bullying Alliance's previous **SEND anti-bullying champion programme** which saw significant positive results.

Participating schools are supported on- and offline to make whole school change to its anti-bullying practices, using a social model approach. **The programme includes a special focus on reducing bullying of disabled children and those with SEN but aims to reduce bullying of all children and young people.** The programme is running from April 2017 to September 2018. It is funded by the Department for Education and delivered by the Anti-Bullying Alliance, with support from the Council for Disabled Children, Contact a Family and Achievement for All.
